HAY WARREN CONSERVATION COMMITTEE

(Incorporating Hay Warren Club & Hay Butter Market)

Dear Householder,

May we take this opportunity to introduce you to an area of outstanding beauty on your doorstep and to the organization that has for the past thirty years existed to maintain it.

The riverside meadow, which for hundreds of years has been known locally as the Warren is accessed by the lane adjacent to Warren Close at the West end of Hay. It is believed that this area in medieval times was used for the breeding of rabbits for food, hence its name, and for many years has been used for walking, and recreation by the people of the town.

In the early nineteen seventies a scheme was proposed to convert this area into a Caravan Park, but several local businessmen and residents, horrified at the loss of this

beautiful area, decided to club together to purchase the field so that it could continue its existence as an unchanged meadow.

To help fund the upkeep of the Warren, a 200 club was setup, this very quickly turned into a 300 club, which continues to run to this day.

Further projects have been carried out by the club since its inception. The butter market which had been walled up since the Second World War, was opened up and restored to its former glory in 1985; the plaques around the town showing the positions of the wells and gates, were commissioned in 1995; and the Login walk, adjacent to the “Tump” was constructed in 1990.

The Warren Club is administered by a group of unpaid trustees, who are: Annette Cobbold, Edgar Evans, Betty Jones, Martin Like, Sheila Like, Steven Like, Eric Pugh, and Timothy Pugh.

All members of the club are encouraged to attend the draws which occur throughout the

year in local Inns and Public houses, a free light buffet is provided, and each member may bring a guest. At these meetings, several cash prizes are drawn with all members numbers entered. Additionally an “in the room” draw also takes place, funded by a raffle ticket purchased on that evening (50p) and entered by all attending members.

Once a year a Golf competition is organized during the summer, and a larger draw takes place near to Christmas, currently held at the Swan Hotel.

Our membership fee has not changed since 1973 it is £13.00 per annum. This is paid by “standing order” in four quarterly payments of £3.25.

If you are interested in joining, in order to help us maintain and administer the Warren, a standing order authority is on the back of this sheet. If you could fill in the appropriate details and return this form to any of the trustees, or post the form to our treasurer, Mr. Edgar Evans, Victor Studios Flat, High Town, Hay-on-Wye, Hereford. A diary of events and a membership number will then be sent to you.

We would be delighted to welcome you to our 300 club, but if you decide at this time that joining us is not for you, we would just ask you to enjoy the Warren, treat the meadow with respect and please take any litter home.

Thank you for your time.

Yours Sincerely
